

AND NOW THESE THREE REMAIN: FAITH,
HOPE, AND LOVE. BUT THE GREATEST
OF THESE IS LOVE.

1 CORINTHIANS 13:13

“ Alana's talk was very motivational. It was obvious to me and the audience that she was very sincere and personal. She connected to the audience by engaging with humor and powerful testimonies. Over all it was awesome!!

-B. McIntire, Sugar Creek Baptist Church ”

PREPARING FOR LIFE THE MS. ENGINEER WAY®!... In this talk, aimed at youth, Ms. Hill encourages and inspires teens and adolescents to prepare for their futures, despite the obstacles that life may bring. After all...she did. Heart-felt and transparent, Ms. Hill shares the struggles she overcame from her childhood. More than just a cheer-leading “you can do it” pep talk, Ms. Hill imparts practical tips for developing priorities and creating a life strategy. Reminding her audience “It’s not where you came from, but where you’re going”, she is sure to get your youth reaching for new heights. Igniting the fire in each soul in the room, this program will leave even the most active adult eager to do more. Lifting...the Ms. Engineer Way®!

RAISING YOUR BOYS THE MS. ENGINEER WAY®!... Drawing from her experience as a mother of four boys, combined with her tireless service in schools, churches and community organizations, Ms. Hill delivers an inspiring talk about raising future husbands (and wives). The future of our world depends on the leaders we develop today, and that starts at home. The stewardship of parenting is one of the highest callings, and while perfection is unattainable, excellence is not. Warm, witty and to the point, this program can be tailored for a variety of audiences to deliver practical advice for today's parents and mentors. Loving...the Ms. Engineer Way®!

WHAT'S YOUR CATALYST? THE POWER OF MANAGED CHANGE...

We learned in science that change needs a catalyst, but what about in life? In this inspiring talk about what catalyzed her own changes, Alana demonstrates how purpose and passion can reinforce your personal and professional goals. Through engaging discussion, she will take the audience on a journey to discover their passions, talents, and path to being more effective leaders. They will be moved to establish their “WHY” while gaining key insight into objective- setting and priorities. This interactive program will leave you with immediate steps to move you forward. Leading change...the Ms. Engineer Way®!

RAVE REVIEWS

“Great discussion on driving strategic change! I attended her virtual presentation on 'Leading Change: Driving Strategic Change In Your Project Team' through PMI Houston Chapter. I enjoyed the presentation and appreciated the spotlight on emotional intelligence. In a not-so-subtle way, she even alluded to high-EQ organizations as those that demonstrate inclusion and cultural competency. Bravo!”

- Shaun Watson, Ventrion, LLC

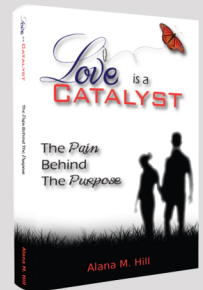

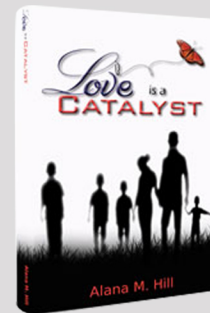

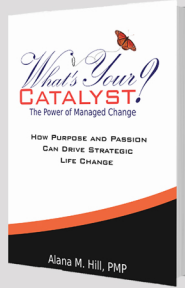

“Alana delivered a diverse, fun training to our young college-aged staff members! She kept them engaged and gave them a lot to think about! Her diversity training is a must for all employers seeking training for their staff members.”

- Elaine Jones, Perry Abernathy Recreation Center

“I enjoyed the high energy and relatability of the presenter. I liked her willingness to learn all of the names and roles and the variety offered during the training.”

- L. Johnson, Accelerate Learning

She is the author of **What's Your Catalyst? The Power of Managed Change in Life**, which helps readers examine their own purpose and passions to become more effective leaders at home and at work.

Her other two books, **Love is a Catalyst (Volume 1)** and **Love is a Catalyst: The Pain Behind the Purpose (Volume 2)**, are an inspiring series of love, faith, and reconciliation. This two-volume memoir describes the power of love to heal and change lives as told by the narrator.
