WHAT'S YOUR CATALYST? THE POWER OF MANAGED

CHANGE... We learned in science that change needs a catalyst, but what about in life? Many professionals in today's ever-changing work environment feel stuck, complacent or even fearful about their professional growth. In order to get back on track it is necessary to reconnect with their passion and establish their "WHY". This interactive program will leave the audience with immediate steps to move them forward in growth at work and home. Leading change...the Ms. Engineer Way®!

LEADING THE RAINBOW: ENSURING SUCCESS THROUGH DIVERSITY & INCLUSION...

Diversity isn't just about color, but about recognizing different ideas, talents, and perspectives that varying cultures bring. In this thought-provoking program, Alana relies on her years as a change leadership expert to explore how to appreciate, champion, and lead Diversity & Inclusion initiatives. Learn best practices for getting executive and team buy-in to this vital component of team development. By understanding the benefits and value, leaders can greatly improve the impact that diversity & inclusion has on team performance. Appreciating Diversity...the Ms. Engineer Way®!

LEADING CHANGE IN A CHANGING WORLD: ADAPTIVE

LEADERSHIP STRATEGIES THAT WIN... Your role as a change leader has always been dominated by your need to communicate. You communicate with your teams, stakeholders, and management team regularly. But are they getting the message? Get ready to develop techniques to effectively communicate the change you are leading. Adaptive leadership...the Ms. Engineer Way®!

RAVE REVIEWS

“Great discussion on driving strategic change! I attended her virtual presentation on 'Leading Change: Driving Strategic Change In Your Project Team' through PMI Houston Chapter. I enjoyed the presentation and appreciated the spotlight on emotional intelligence. In a not-so-subtle way, she even alluded to high-EQ organizations as those that demonstrate inclusion and cultural competency. Bravo!”

- Shaun Watson, Ventrism, LLC

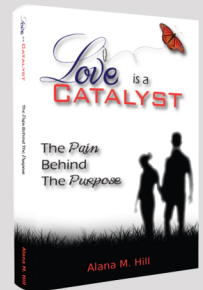

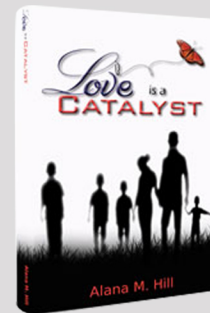

“Alana delivered a diverse, fun training to our young college-aged staff members! She kept them engaged and gave them a lot to think about! Her diversity training is a must for all employers seeking training for their staff members.”

- Elaine Jones, Perry Abernathy Recreation Center

“I enjoyed the high energy and relatability of the presenter. I liked her willingness to learn all of the names and roles and the variety offered during the training.”

- L. Johnson, Accelerate Learning

She is the author of **What's Your Catalyst? The Power of Managed Change in Life**, which helps readers examine their own purpose and passions to become more effective leaders at home and at work.

Her other two books, **Love is a Catalyst (Volume 1)** and **Love is a Catalyst: The Pain Behind the Purpose (Volume 2)**, are an inspiring series of love, faith, and reconciliation. This two-volume memoir describes the power of love to heal and change lives as told by the narrator.

Her clients have included Fortune 500 companies, small technology companies and non-profits. Her adaptability makes her an asset across the professional spectrum.
